This summer, proceeds from the East Aurora Music Fest will be donated to the following beneficiaries:

- **sasi** – Transforming the lives of people with developmental disabilities.
- **EA Chamber of Commerce** – Dedicated to encouraging business growth, promoting tourism, and providing legislative leadership to benefit the seven communities we serve.
- **West Falls Center for the Arts** – Offering visual, culinary, performing, and healing arts in a rural community.
- **Aurora Ice Association** – Providing healthy fun and entertainment on and off the ice.

You are likely aware of someone who has benefited from the wonderful services these organizations provide. These organizations are so greatly needed and appreciated in our community. After this year, East Aurora Music Fest will have donated one million dollars to numerous organizations. We are very proud of that fact and grateful for support from our community. We could not do this without you! With your participation, we can continue to support these organizations, so that they may continue to serve people in our community.

We are seeking sponsorships and other donations from generous businesses and individuals, such as yourself, to help ensure a successful and lucrative festival. Please take a moment to review the attached sponsor form and consider a donation--any amount will be greatly appreciated and will be used to give back to our community.
